

TERMINAL COVER FOR 100/125A DISCONNECTOR

Similar to image

Technical data:

Design of the operating mechanism		Other
Product equipment / interlock		No
Acceptability for application / emergency stop switch		No
Type from device		other
Design of the electrical connection / for main current circuit		Other
Acceptability for application / safety cut-out switch		No
Type of the driving mechanism / motor drive		No
Protection class IP		Other
Acceptability for application / main switch		No
Acceptability for application / switch disconnecter		No
Product extension / optional / motor drive		No
Product extension / optional / voltage trigger		No
Type of fixing / 4-hole front mounting		No
Type of fixing / central front mounting		No
Suitability for integration / distribution board		No
Acceptability for application / maintenance/repair switch		No
